Party all summer long, Mexico style

This summer the fiesta is at Diane Powers' **Casa de Bandini!** Located in **The Forum Carlsbad**, Casa de Bandini brings old-world Mexico to life with authentic cuisine, fabulous mariachis, giant margaritas and a vibrant, festive atmosphere.

Casa de Bandini's award-winning dishes are made with fresh ingredients and traditional regional recipes — accompanied by 14 salsas and sauces made daily, and hot-off-the-grill handmade tortillas. Chef Ignacio prepares authentic specialties including Enchiladas del Mar, Carne Asada Tampiqueña and Tequila Lime Shrimp, a famous creation introduced by Casa de Bandini in the 1980s and a favorite ever since.

The dish includes pacific wild shrimp sautéed with tequila, lime and butter, then seasoned with garlic, crushed chili and cilantro atop arroz Amarillo, and served with a side of black beans. Casa de Bandini also has an abundant selection of creative, healthy Mexican salads and vegetarian choices, and 50 gluten-free items.

Don't miss out on one of the best happy hours in North County! Casa de Bandini's lively Cantina is home to more than 95 varieties

of premium and specialty tequilas. Visit the Cantina every Monday through Friday, 3 - 6 p.m. for \$6.50 well drinks and margaritas, \$1 off beers, and \$2 off all glasses of wine. Plus enjoy specials on appetizers such as the Soft Taco Sampler: four small soft corn tortillas, two carnitas and two carne asada, served with fresh onion, cilantro, guacamole and salsa quemada on the side — perfect for sharing!

In addition to authentic food and décor, Casa de Bandini hosts live performances from its famous mariachi group, Cielito Lindo. Originally from Mexico City, Cielito Lindo is acclaimed for their incredible quality of music and voices. Request your favorite Mexican song or a birthday serenade from these world-class strolling musicians every Wednesday to Sunday, between 5:30 - 8:30 p.m.

Casa de Bandini also specializes in custom-designed events such as banquets, rehearsal dinners, graduation and birthday parties, and any other special occasion. A large outdoor patio with a lush and vibrant garden has capacity for 125 guests for dining under the stars. A smaller cocktail patio more intimately seats up to 30 guests under the

covered archway. For more formal occasions, the large in-door dining room has an expansive open-beam ceiling and beautiful Saltillo tile floor, and comfortably seats up to 70 guests.

Casa de Bandini is open seven days a week and is located at 1901 Calle Barcelona, Carlsbad, 92009 in The Forum Carlsbad.

IN CARLSBAD

Summer has us thinking of exotic and far away destinations. The truth is that a traditional vacation is not always in store for some of us. Travel costs, health emergencies or work obligations can prevent us from leaving town.

But that doesn't mean when summer rolls around and the kids are home from school that you can't still have a great time! This summer, why not plan a vacation in your own backyard?

Carlsbad has been recognized as one of America's Best Places to Live, one of the top 10 Best Beaches for Families, Golf's Ultimate Playground and the list goes on. We've made it easy for you to enjoy our luxurious accommodations, world class golf facilities, and family attractions in this special issue of the Carlsbad Business Journal. We invite you to Stay and Play in Carlsbad!

Richard Walker's Pancake House (finally) comes to North County

Richard Walker's Pancake House recently opened their 3rd San Diego County location (5th in the country) in the brand new Bressi Ranch Square in Carlsbad. Since 1948, the Walker family name has become synonymous with quality family dining. The family has since perfected its reputation for outstanding gourmet pancakes and breakfasts. Their story begins when Victor and Everett Walker began opening snack shops in Evanston, IL. In 1960, they opened Walker Bros. Original Pancake House in Wilmette, IL. In 1981, Ray Walker and Richard Walker Sr., sons of Victor, opened Walker Bros. Original Pancake House in Glenview, IL. In 1989, Richard Walker Sr. ventured out on his own and opened Richard Walker's Pancake House in Schaumburg, IL. In 1996, Richard Sr. opened a second location in Crystal Lake, IL.

In 2006, Richard Sr. relocated to San Diego and opened the third location in downtown San Diego. In 2014, Richard Walker Jr. joined the family business and opened the fourth Richard Walker's Pancake House in La Jolla. A stunning success from the moment it opened, the La Jolla location serves as the design/efficiency standard for all would-be future Richard Walker's Pancake

House locations. And just earlier this year, Richard Jr. opened the fifth location in the aforementioned Bressi Ranch Square. Richard Walker's Pancake House has been, and always will be, a 100% family owned, family funded, and family operated business. Period.

The new Carlsbad location continues the Walker

family tradition embracing a menu with a multitude of choices and unbeatable service. Their recipes demand only the finest ingredients: USDA 93-score butter, pure heavy whipping cream, the freshest locally sourced Grade AA eggs and hard wheat unbleached flour.

They import sweet lingonberries from Sweden and

Havarti cheese from Denmark – while sourcing all fresh produce locally where available. Their bacon, sausages, hickory smoked ham and Canadian bacon are custom made for their use only by local farms. And all of their batters are made fresh on the premises so you can be assured you are enjoying the finest

breakfast creations possible. None of the three locations in Southern California have a freezer or a deep fryer.

When you see a line out front, please note that it moves quickly. No reservations, no call aheads. If having an uncompromising breakfast experience is important to you, sooner

or later you'll end up at Richard Walker's Pancake House.

Why local is better

With a passion for great food and as long time residents of Carlsbad and owners of **Tinleaf Fresh Kitchen** and **Beach Plum Kitchen**, we've found that the restaurant and catering scene was in need of affordable, everyday quality fresh food that supports other local businesses. It's been nine years since Tinleaf Fresh Kitchen opened and five years since Beach Plum Kitchen opened and it looks like the "local trend" is here to stay. This summer, we are proud to announce the third restaurant to our portfolio: Black Rail Bar + Kitchen. While Black Rail will be different from the other two restaurants in the respect that it will offer a craft cocktail program, we will not steer away from our core values of offering fresh, local dishes to compliment the craft cocktails.

Here are a few reasons why you should make an effort to support local restaurants and caterers who buy locally:

Locally grown food is full of flavor. When grown locally, the crops are picked at their peak of ripeness versus being harvested early in order to be shipped and distributed to your local restaurant.

Local food has more nutrients. Local food has a shorter time between harvest and our kitchen, and it is less likely that the nutrient value has decreased. Food imported from far-away states and countries is often older, has traveled and sits in distribution centers before it gets to our restaurant.

Local food supports the local economy. The money spent with local farmers, growers and other vendors stays close to home and is reinvested with businesses and services in our community.

Local food benefits the environment. By purchasing locally grown foods you help maintain farmland and green and/or open space in our community.

Local foods promote a safer food supply. The more steps there are between you and your food's source the more chances there are for contamination. Food grown in distant locations has the potential for food safety issues at harvesting, washing, shipping and distribution.

Carlsbad by the Sea Hotel

The Launchpad to San Diego's Playground

Relax and unwind. Each of our 146 spacious guest rooms offers a private balcony or patio and views of our tranquil garden courtyard or outdoor heated pool and jacuzzi.

Wake up under palm trees, breathe in the crisp ocean air, and enjoy complimentary breakfast for the whole family before taking off to see the sights in Carlsbad and San Diego!

The starting point of an unforgettable SoCal experience

Conveniently located in San Diego County's north coastal region, Carlsbad is the perfect launching point to explore all the beaches the County of San Diego has to offer – and there are plenty of hidden gems that the average tourist to San Diego may overlook.

At **Carlsbad by the Sea Hotel**, located one mile from **LEGOLAND** and across the street from the **Carlsbad Flower Fields**, the staff are knowledgeable about all the attractions that are not immediately obvious to visitors.

These hidden gems include the picturesque golf courses, microbreweries and wineries, outdoor recreation at Carlsbad Lagoon, world-class museums, eclectic dining options, hiking at trails like Lake Calavera, and plenty of family fun.

There are seasonal fairs and festivals in Carlsbad Village, along with new venues and restaurants consistently popping up. Think of a hidden speak-easy – or unique dining options like the Windmill Food Hall opening this year (also on site at Carlsbad by the Sea Hotel).

Carlsbad by the Sea Hotel's iconic windmill lies between The Flower Fields and the beach, two of Carlsbad's ever-growing list of attractions.

Of course, the gorgeous beaches along North County San Diego's coast, and LEGOLAND California water park remain the summer favorites, so properties like Carlsbad by the Sea Hotel offer a free shuttle to these top attractions and other spots within a 2 mile radius.

Beyond Carlsbad beach, says the staff team, the neighboring towns of Encinitas, Leucadia, Oceanside, Solana Beach and Del Mar are within 15

minutes and full of exciting day trip activities. Additionally, all the best of San Diego is about 30 minutes away as well – downtown, Balboa Park, and SeaWorld, just to graze the surface of this bustling city with a friendly atmosphere.

From the shimmering coast to the trail-topped mountains to the secret coves, from fashionable stores to gourmet bites, from lively nightlife to grounded corporate centers, and from action-packed activities to

tranquil settings, Carlsbad truly has it all. Make Carlsbad by the Sea Hotel the base of operations for experiencing the diverse and exhilarating range of things to do in and around Carlsbad.

But hurry and visit, before these sparkling gems are no longer hidden.

The GelatoLove team creates fresh exciting gelato flavors every day

Meet your newest healthy gelato

GelatoLove has arrived to Carlsbad Village with a deliciously new take on an Italian tradition. Coming from Gaia Gelato's success in Carlsbad Village, the newly re-branded GelatoLove team is fueled by a passion for food, health, and community. They believe in honoring tradition while embracing innovation - in true California style. The pursuit of honest food led GelatoLove to a revolutionary ingredient: allulose, a rare low-calorie natural sugar that tastes just like the sugar you already know and love. Allulose is naturally found in fruits like figs and kiwis and won't lead to a sugar crash. GelatoLove is one of the first companies in the world to use this special ingredient, giving their gelato only half the fat and 80% less sugar calories than typical ice cream. Now that's a gelato we can all fall in love with! GelatoLove knows how to have fun with their approach to eating well. Now located in both Carlsbad Village and Carlsbad Gateway Center, which is becoming a thriving artisanal food hub, the GelatoLove team creates fresh exciting gelato flavors every day. When you try their handcrafted gelato you can taste the high-quality ingredients — like fresh mint leaves, rich cacao, and local strawberries — nutritious ingredients you can feel good about. The Flagship Gelato Store (previously Gaia Gelato) is open daily for a chance to taste over 40 unique flavors, take home a pint, and enjoy specialty espresso coffees. 300 Carlsbad Village Dr Ste. 104, Carlsbad CA 92008. Striking a chord with music lovers

When you step into the **Museum of Making Music**, you'll see outstanding examples of musical instruments, hear some familiar tunes, and have many opportunities to play a variety of instruments. And, you'll discover how an innovative industry, the music products industry, provides us with the instruments and gear that help

shape the soundtrack of our lives. It's a story that will ignite — or maybe reignite — your own connection to music and music making.

The Museum is open Tuesday through Sunday from 10:00 AM to 5:00 PM. Admission is \$10 for adults; \$7 for students, seniors and active military. Children age 3 and under receive free admission.

For more information, please call (760) 438-5996 or visit www.museumof-makingmusic.org.

The Museum of Making Music is the museum of NAMM, the National Association of Music Merchants, the Carlsbad-based not-for-profit trade association that serves the global music products industry.

GETTING DOWN TO BUSINESS

Four Seasons Aviara invites you to step out of the office and into our club for a unique meeting space that can be made all your own.

Late night village grub

A staple in the heart of Carlsbad Village, **Señor Grubby's** has been a place for locals, tourists, teams, families, late night diners, and more to gather for a tasty meal for 11 years. Señor Grubby's prides itself on serving up some great grub, and providing a casual atmosphere to suit any style. Do yourself a favor and grab some al Pastor tacos, the flagship slow roasted pork that everyone raves about! If breakfast is your go-to, we open at 7am and serve up some monstrous-sized home cooked meals to satisfy cravings both traditional Mexican and American. In our sleepy little beach town most people are tucking themselves into bed around 9pm; Señor Grubby's, however, stays open to cook you a late-night meal. Sunday through Thursday Señor Grubby's kitchen is cooking until 11pm, Friday & Saturday you can still grab grub until 2:30am! Yes, A.M.!

How about a taco bar with craft margaritas at your next party? In the office, in your backyard, at your wedding? Señor Grubby's can bring your favorites right to you, to share at any event. It's a one-stop shop!

Señor Grubby's wants you to have fun every day of the week! Here's a peek at the daily specials Señor Grubby's offers to its awesome guests!

Monday: Margarita Mondays \$7 for ALL craft Tequila & Mezcal cocktails on the menu.

Tuesday: Taco Tuesdays \$1.50 al Pastor & Carnitas, \$2 Duck Chicharrones & Fish Tacos, \$5 Tall Cans of Tecate, \$7 House Margaritas.

hosting fundraisers for sports teams, schools, non-profits, families in need, and more. We are here to help!

Thursday: Half Priced Bottles of Wine!

Daily Happy Hour: 3-6pm featuring food specials starting at \$3, as well as drink specials.

Cocktail Social Hour Sunday through Thursday: 8-10pm featuring \$7 craft cocktails.

Señor Grubby's is a food-forward, family-friendly place to gather. This Village staple crafts its salsas from scratch; the *chilanga* is extra spicy right now! Señor Grubby's prepares all their meats on site, home cooks their rice and beans, and enjoys providing guests with a great meal that leaves them wanting more. Many of Señor Grubby's staff members have worked at its 'little taco shop' for a decade, making Señor Grubby's team a family, not just co-workers. Swing by soon; you won't be disappointed!

Celebrating Carlsbad through artistic and cultural experiences

New Village Arts celebrates our local community through the arts, supported by our Corporate Sponsorships and Community Partnerships. NVA aims to collaborate with local businesses and nonprofit organizations that share a commitment to celebrating diversity and inclusivity, and encourages local businesses and nonprofits to support the arts as patrons, sponsors, or community partners. Since its debut Bluewater Grill has been providing an atmosphere of casual coastal style.

Setting the bar for North County seafood

Bluewater Grill Carlsbad continues to wow seafood fans, local foodies and visitors alike in Carlsbad Village. The destination restaurant opened in late 2017 to offer North County residents California's freshest, just-off-the-boat, sustainable seafood in an atmosphere of casual coastal style. Since its debut in the heart of the Village, Bluewater has established itself as the go-to source for sustainable seafood and shellfish, weekday happy hours, monthly tastings and wine pairings, and a distinctly neighborhood vibe.

Chef Albert Serrano is applying his years of regional culinary knowledge and seafood experience to create continually updated lunch and dinner menus featuring up to 40 varieties of fresh fish annually. From Pacific Swordfish

harpooned in local waters to San Francisco Cioppino with Black Mussels and housemade clam chowder, he is adding his own local gourmet preparations regularly to offer diners a new experience every time.

Meanwhile, General Manager Sean Fryt, a North County resident, welcomes customers to a stunningly redesigned space. Owners Jimmy Ulcickas and Richard Staunton worked closely with the City of Carlsbad to create the perfect contemporary fish house destination with reimagined dining room, a new bar and lounge area and fresh market and retail counter offering locally caught seafood and local wines.

Perfect for North County summers, the new space also boasts two new outdoor dining patios for alfresco dining.

Like all Bluewater neighborhood locations, Bluewater Grill Carlsbad is committed to not only serving the freshest seafood but also pioneering sustainable fishing and farming practices.

To date, more than 90 percent of the choices on Bluewater's menus are sustainably caught or farmed – among the highest of any restaurant in California. Bluewater founders also operate the fishing vessel, *Pilikia*, to provide customers with the freshest, sustainably-caught seafood.

Bluewater Grill is open for lunch and dinner daily. Hours are 11am to 9pm Monday through Thursday, 11am to 9:30pm Friday, 10:30am to 10pm Saturday and 10:30am to 9pm Sunday. Visit bluewatergrill.com
